

Canandaigua TOPSoccer Program

Our Topsoccer Program is for children and young adults ages 5 to 21 that cannot play in a traditional soccer program due to a disability, developmental delay, or special need.

Soccer players are matched with volunteers to assist on the field. Volunteers must be at least 12 years of age. No soccer experience is required. We are seeking players and volunteers to join us in this unique and rewarding program.

Come have fun with us this season!
